You're an impossible dream
So when I go to bed
That's all I'm doing I'm just sleeping
Cocktails in the ESP
Think about you to think about me

I wonder -- I wanna see you tonight
I wanna see you, I wanna see you,
I wanna see you smiling back at me in the starlight

Shining on the streets downtown
I was looking for you
Looking for me, again
God I wanna taste your mouth
Back you are up against the wall behind a subway
station

I wanna see you smile
I wanna see, I wanna see, I wanna see you tonight
Meet me on the corner -- 44th and Broadway
Did it rain, oh, God

You could be happy in love
You can be happy in love with me
That's is you want to for just a little while
No promises no guarantees tonight
Meet me in the hall
Meet me in the hall
I'm terrorizing so
You bet

'Cause I wanna see you tonight
I wanna see, I wanna see, I wanna see you tonight
Meet me on the corner -- 44th and Broadway
Did it rain, God

You could be happy in love
You could be happy in love with me
Forever, forever, forever
