I've been payin' them here roadhouse dues  
Since I was a young boy  
Driftin' and a-ramblin' with my old man searchin'  
'Round for that West Texas oil

Well, ain't nobody know  
Where I'm gonna go  
Well, ain't nobody know, no, no, no  
This here gypsy road

Straight out them bad lands well, I come a-runnin' on  
Out of New Mexico  
Eighteen wheelers and freight trains and pump jacks  
So high I've rode upon

Well, ain't nobody know  
Where I'm gonna go  
Well, ain't nobody know, no, no, no  
This here gypsy road

Mr Armadillo, don't stand in my way  
I ain't gonna stick around here  
I don't know why I can't fly this here ride  
On out the cosmic cowboy atmosphere

Well, ain't nobody know  
Where I'm gonna go  
Well, ain't nobody know, no, no, no  
This here gypsy road  
Get down, tell me one more song
