Take me to see the voodoo queen
Let her put a spell on me
A little bit of change will ease my pain
Gonna set a young man free

'Cause I've been down through your hometown
And all across your distant land
One thing's for sure, honey, I'll be gone
Tell my mother I miss her so

Oh, take me to France, watch me dance
Let me drink that wine
Spinnin' around a dark haired girl
Havin' us a good old time

'Cause I've been down through your hometown
And all across your distant land
One thing's for sure, honey, I'll be gone
Tell my mother I miss her so
Tell my mother I miss her so

Oh, when you can the medicine man
Will let a feather set me free
Out on the range outrunnin' them trains
You're never gonna see me leave

'Cause I've been down through your hometown
And all across your distant land
One thing's for sure, honey, I'll be gone
Tell my mother I miss her so

Tell my mother I miss her so
Tell my mother I miss her so
Oh, tell my mother I miss her so

Oh, take me to see the voodoo queen
Let her put a spell on me
A little bit of change will ease my pain
Gonna set a young man free

'Cause I've been down through your hometown
And all across your distant land

One thing's for sure, honey, I'll be gone
Tell my mother I miss her so

Tell my mother I miss her so
Oh, tell my mother I miss her so
Tell my mother I miss her so
Oh, tell my mother I miss her so

Tell my mother I miss her so
