Nuclear crypt is opened at last
Out come the shambling fiends
Rotten and groaning the zombies attack
Heedless of anyones screams

Freed from their prisons in barrels of waste
Radioactive undead

Zombies are glowing they lurch and they crawl
Surrounding each house that they find
They know you're inside and bang on the wall
They're here to help open your mind

They... Have killed all the livestock
You're in for a shock
Double-check the lock
Fear the dead that walk

Toxic Zombie Onslaught

Toxic Zombie Onslaught
Toxic Zombie Onslaught

Farmland is crawling with brain eating ghouls
Cities begin to infest
One has attacked you, you watch as it drools
And it begins to feed on your flesh

Freed from their prisons in barrels of waste
Radioactive undead

Conscious you're being devoured alive
Eyes glazing over you're gone
You start to glow and begin to revive
Join them and get moving on

You... Kill all the livestock
Gorge upon the flock
Nuclear feast epoch
You're the dead that walk
