Seems like yesterday
We were running so wild
Though the world has changed
We're the same child inside
Down the years
I could always count on you
And you know you can count on me too

What is a brother for,
If not to love?
And if the sky should fall
And life deal you too much
I won't ever go
I won't ever fail
I won't ever let you down
Nemo Nisi Mors (Latin: Nobody except death will part
us)
Brothers 'til the end
Always
Always

With our mother's hair
And our father's eyes
There's so much we share
That we can't disguise
I feel your pain
I know you can feel it too
You're there for me
I'm there for you

What is a brother for
If not to love?
And if the sky should fall
And life deal you too much
I won't ever go
I won't ever fail
I won't ever let you down
Nemo Nisi Mors
Brothers 'til the end
Nemo Nisi Mors
This is in my prayer

What is a brother for?
Always
You count on me always
Always
Always
What is a brother for
If not to love?
Brothers 'til the end
Always

It's for always
