I tried to hide from you
But i failed
I tried to lie to you
But how i failed
And even in my darkest time
You gave me light
I never knew this kinda love could feel so right
When i'm in your arms
I find myself believe it
We could be anywhere
So i can keep on dreaming

Chorus
Whenever your close to me, you're like the sun
You feel like the sun
And everyday you telling me
I am the one
I am the one who makes you shine

And i know
Whenever you want me to, i'll go
And even when your not with me
I feel you there
I only have to look and see
And i'll know where
When i'm holding you
The world can stop it's turning
You're always gonna pull me through
And i won't be returning

Chorus
Whenever your close to me, your like the sun
You feel like the sun
And everyday you're telling me
I am the one
I am the one who makes you shine

You're like the sun
You keep me warm
You're telling me

When i'm in your arms

We can be anywhere (2x)

Chorus

Whenever your close to me, you're like the sun

You feel like the sun

And everyday you're telling me

I am the one

I am the one who makes you shine (2x)

Your like the sun (2x)
