Our father who art in heaven
Hallowed be thy name
Dear father, what is my sentence
Shallow be thy name

Here in the dark there is no escaping
Here in the dark lies pain
Here in the dark your soul is taken
Hallowed be thy name

Our father who art in heaven
Hallowed be thy name
Dear father, what is my sentence
Shallow be thy name

We are here to take you to afterlife
We are here cause god's insane
We are here to praise your sacrifice
Why are we to blame

We are here to take you to afterlife
We are here cause god's insane
We have awoken to bring you back to life
Have we lost our brains
