Young boys heading to ten, ,spread to te wind,
..in the back slider
The sexy twins..so provider
And seeing ,.
You have none ,
..to black ,pretending ,
A none ,break down the ,
Never replace the memories I ..get deeper.

Chorus:

,.
And I go from LA
That's the ..ceremony and I go from LA
That's the ceremony and I go to LA.

Young men get in the house,
And tell to look out
There's something crazy in the street so bring the tool
out,
, that carry the name of saints,
And angels and haters look like bandanas cover your
face,
The opportunity to shoot the house off,
Is right around the corner hit the light ..the house off,
Kids around ,.
,guns shut, all in the back round, nigga will make you ..
Nothing go really change, unemployment ,
,stay strong ,ready aim ..so asasins
Kids get school up with the music I give em,
Rest in peace idea, tell ..we all miss,
,
Many man ..upon me ,terrorise my ,
Pack a ...I was raised .

[chorus:]
