Everybody up ye you know the deal
We are gonna turn this place upside down
Many shorties... cruise in
If you ain't single hang around you won't be losing
Is a brave night is a rough day
I got some... she can blow away
We are sipping... pouring bottle after bottle we ain't had
enough
If you ain't had enough
Throw your hands up
There are some ladies in the front they could come
with us
We ain't talking VIP we are taking...
Put em up
Put em up
Put your hands in the sky
Put em up
Put em up
Put your hands in the sky
Give it up give it up give it up
She give it up give it up
Put em up
Put em up
Put your hands in the sky

Put em up
Put em up
Put your hands in the sky
Keep em high
Move your body girl make it scared to go
He had a back... flow we ain't stopping bro
Next stop... for a... change your world
We are in the 8 baby New York city...
I am the man girl who are you playing with
See you standing at the bar baby freak on
Put your hands up
Put em up
Put em up
Put your hands in the sky
Put em up
Put em up

Put your hands in the sky
Give it up give it up give it up
She give it up give it up
Put em up
Put em up
Put your hands in the sky
Put em up
Put em up
Put your hands in the sky
Keep em high
