I  
am mum  
am dad  
I'm waiting  
I  
am back  
am forth  
I'm waiting

blood that runs through my veins  
god must be insane  
creating man  
back  
back and I'm forth  
always here  
I'm waiting  
skin  
I'm skin, flesh and bone  
blood is my home  
the seas's where I'm from

blood that runs through my veins  
god must be insane  
creating man  
blood that runs through my veins  
god must be insane  
creating the mammal man

I  
pick up a stone  
and then we roam  
before it gets thrown  
away  
and I may not say  
if I one day  
might find it again

blood that runs through my veins  
god must be insane  
creating man  
blood that runs through my veins

god must be insane  
creating the mammal man

water  
I'm stoned  
the fire  
is gone  
we dance  
you smile  
we're wild  
tonight

blood that runs through my veins  
god must be insane  
creating man  
blood that runs through my veins  
god must be insane  
creating the mammal man  
the plan overran pan  
as it began the creation of man
