Should Have Been Signed Twice  
Put on my best suit  
It's been hanging for years  
Sent out the message  
For all to appear  
This time, I'm doing it right  
Ignore all the critics  
Who judged before  
A word ever left, the lips she adores  
Nothing, could make me stop now

And I'm surrounded by  
Images of what they want, what I'm not  
And I never will be

Who made us think that beauty, could be bought with  
Money?  
What made us need to change the way we act, look &  
Think  
A lifetime of trophies is what we aim for

Show me what I can't see  
Is something wrong with me?  
Wrong with me

Watched acts of fashion  
With no meaning or heart  
Sign deals by the dozen  
And chase death in the dark  
Give me something real  
And their cloned overnight  
Like a spreading disease  
Then shoved down our throats  
With no choice but agree  
Are we all that blind?

Put on my worst suit  
I don't care anymore  
Ignore all the critics  
Who judged me before  
This time it's for me
