Ryan Huston - Daydreams Lyrics

I'm lookin at you, you're lookin at me...
seconds seem days
you wear a smile, so delicately
all in your gaze
what you do to me, i just can't explain
words cannot say
i'm lookin at you, you're lookin at me
then you look away... from me

Will you save me, and i'll save you
will you love me, like i'll love you
will you save me, and i'll save you
will you need me like i'll need you
Thinkin of you, and wanting to say
just how i feel
if you knew the truth, then you would know me
and know this is real
i close my eyes and see everyday,
visions of you
so give me the time, and i can be great
so i will play, for you
Will you save me, and i'll save you
will you love me, like i'll love you
will you save me, and i'll save you
will you need me like i'll need you
where are we, all is well,
i can see, you're the well
Will you save me, and i'll save you
will you love me, like i'll love you
will you save me, and i'll save you
will you need me like i'll need you
