I'll try to relate if you will talk to me  
I'll try to be great, like it were meant to be  
You think that maybe we could sit for a while  
Come out and say the things that you like to do  
And I'll do my best to try to relate to you  
I hope that maybe we could sit for a while

And I, wanna thank you, I wanna thank you.  
I wanna thank you for not being afraid.

And I, wanna thank you, I wanna thank you.  
I wanna thank you for not being afraid.

Cause you know you're perfect to me  
I hold my breath just to hear you speak

As time has gone by, I've seen you in every way  
from angry to sick and everything day by day  
you're still the most beautiful girl in the world  
I know you're the best at everything that you do  
and none of the rest could ever compare to you  
Always in my eyes you're my number one girl  
And I, wanna thank you, I wanna thank you.  
I wanna thank you for not being afraid

And I, wanna thank you, I wanna thank you.  
I wanna thank you for not being afraid.

Cause you know you're perfect to me,  
I hold my breath just to hear you speak  
and I hope this dream never ends  
cause you know you're my bestest friend

And I, wanna thank you, I wanna thank you.  
I wanna thank you for not being afraid.

Cuz you know you're perfect to me.  
I hold my breath just to hear you speak.

And I hope this dream never ends.  
Cuz you know you're my bestest friend.
