Verse:

I dont think youre ready for this,
You better roll up your sleeves.
From now you better be sure,
You clean up after all her pet peeves.
And you swear its just for now, yeah right.
Thats an awful lot of stuff for a few nights.

Chorus:

Whats the point in going through,
Dividing everything in twos?
What good is a double bed when theres only half for
you?
Deny it all you can but you know,
Shes movin in.

Verse:

Shes thrown out your best magazines,
Your CDs doubled in size,
Laid out in stacks of 15,
Completely alphabetized.
And you swear its just for now, not quite.
Picture frames and candles say otherwise,

Chorus:

Whats the point in going through,
Dividing everything in twos?
What good is a double bed when theres only half for
you?
Deny it all you can but you know,
Shes movin in.

Verse:

Empty boxes and newspaper shreds,
Still around to remind you,
Shes not a girl with the permanence of,
A temporary tattoo.

Chorus:

Whats the point in going through,
Dividing everything in twos?

What good is a double bed when theres only half for
you?
Deny it all you can but you know,
Deny it all you can but you know,
Deny it all you can but you know,
you know,
you know,
you know.
