"My Dumb Luck"

Well, I guess I can't complain.
I've had it good so far,
Everything just falls in place,
When it should fall apart.

You might want to turn away,
'Cause I can't be sure,
If my streak is bound to break,
Should I be bracing for,
A big collapse.

Stay close to me or get out now,
'Cause my dumb luck may soon run out.

You swear you're sticking with your team,
No matter what the score,
Well, you don't know what it means,
You've never had to pull for,
An underdog.

Stay close to me or get out now,
'Cause my dumb luck may soon run out.
Will you stay near when things go south?
When my dumb luck...

Whenever I most needed you,
Wouldn't it be so easy to,
roll over and play dead?

Stay close to me or get out now,
'Cause my dumb luck may soon run out.
Will you stay near when things go south?
When my dumb luck has all run out.
...has all run out.
...has all run out.
