[Verse 1:]

You've got fashion and style  
I'm lovin' your smile and  
The way you get down  
I can't see no one else  
It's you by yourself, yea  
In spite of the crowd  
(Baby no one else matters)

[Chorus:]

It started off with a kiss (uh huh)  
Never expectin' this (uh huh)  
And now I'm here copin' with  
My addiction (addiction)  
It started off with a kiss (uh huh)  
Never expectin' this (uh huh)  
And now I'm here copin' with  
My addiction

While all the girls say

[Hook:]

I am addicted to you  
I am addicted to you  
I am addicted to you  
You're my addiction  
I am addicted to you  
I am addicted to you  
I am addicted to you  
You're my addiction

[Bridge:]

When I'm lookin' in the mirror  
Honey, you are all I see  
And it could not be no clearer  
That I need you here with me  
(You feel it, let's go)

[Verse 2:]

I was hopin you'd notice  
The way that I like to  
Have you around (Around yeah)

Listen and you will find that  
Your heart beats for me  
Girl, I hear the sound  
(Baby no one else matters)

Never expectin' this (Uh huh)  
And now I'm here copin' with
