(chorous)

let me know, are you here alone tonight  
do you need a man that'll hold you tight  
i wana get close 2 u, i wanna since the minute i spoke  
to u (x2)

ill never stop lovin you girl (never stop) at times we  
might argue  
at times we might fight, but il never stop lovin u girl,il  
never stop wantin u girl, ill never stop, although i do  
wrong, my love remains strong, il never stop wanting  
you girl, said ill neever stop wantin you girl.

and it dont matter what i gain, if i loose ur love girl its  
all in pain.she make me tell her things about you, its  
worthless if i dont have you..andi cant tell you that  
story. how someone could do what you do you do for  
me.(coz theres no other woman ill want, theres no other  
woman il want) so let me know..
