Uh...

Yeah yeah yeah...

Yeah!

R. Les

You made a difference in my life
It happened at the moment when I saw your face
It must have been somethin' in your eyes
That made it easy like a sunday...
It's not hard to understand
Cause anyone who see'S you feels the same way... uh!
And so I had to take the chance
To let you know u're so amazing

I-R-I-N-A!
Said I might not speak your language
But I know just what to say baby
I-R-I-N-A!
Ooh I wanna see you everyday

I wanna get to know you
To see what makes you laugh
I wanna be ur future, forget about ur past
I wanna make u happy by just beeing myself
Cause I can't be nobody else

I-R-I-N-A!
Said I might not speak your language
But I know just what to say baby
I-R-I-N-A!
Ooh I wanna see you everyday

La la la la
Sometimes words they just get in the way
So I say
La la la la
Sometimes the words get in the way
They get in the way so!

I-R-I-N-A!

Said I might not speak your language
But I know just what to say baby
I-R-I-N-A!
Oooh I wanna see you everyday
(See you everyday~)

I-R-I-N-A!
Said I might not speak your language
But I know just what to say baby
I-R-I-N-A! (yes I wanna be with you)
Oooh I wanna see you everyday

Even though you might not speak my language... said
I'm liking you...
