It ain't a thing, mama, anything

It's something that I can't conceal
For sure you're my light
Personified
Myself I can only try
To measure your shine
On an earthly scale
Everything else is pale
Compared to you

Anything that I may have
Anything that I'm blessed to grab
I'll split it in half
For your tender touch
Your luvin girl it means so much
I'll love you in style
On a sundrenched isle
After we go down the aisle
You're the thrill in my life
Our love is amplified
The type that only God provides
And it comes from you
