doo...duh..doo..dooo
Your the shooting star,
On my darkest night,
And when Im with you feel assured everythings right,
Your my source of hope,
And the air I breathe,
And the love you gave is the greatest gift I've ever
recieved
And I hope it's not too hard to understand,
That the reason why I live is to be your man.

[Chorus]
Said its love
That I feel
When I'm with you(when I'm with you)
When I'm with you(with you)
Repeat Chorus

Yes it's love

Yeah without you
I know I'd be lost (so lost)
I'd give you what you need now baby
No matter the cost
And I know sometimes
It maybe hard to understand the way I feel deep inside
my heart
And I hope that it's not wrong that I made plans
To devote my life to you as your man

[Chorus]
Said its love
That I feel
When I'm with you(when I'm with you)
When I'm with you(with you)
Repeat Chorus

And I know it's love
And I know it's love
Oh Love
It's Love

I know that it's love
Love, love, love
Oh love, Oh love, Oh love
I know that it's love love (it's love)
I know that it's love love love
