I'm emotional, yes, it's true
'Cause I've been looking for a pretty girl just like you
And I get butterflies when we're close
And I can tell by how she plays the game she knows

So I'm emotional, I can't hide
'Cause she classic but she ain't afraid to ride
And she's incomparable, she's a ten
And she plays with all her silly heart to mend

That's why you got me in
Quicksand, quicksand
Can't believe that I'm stuck
You got me in
Quicksand, quicksand
Can't believe I'm stuck

I'm emotional, I admit
'Cause this feeling that I'm feeling just won't quit
I'm anticipated every touch
But then I'm hoping that it doesn't show too much, yeah

So I'm emotional, I can't hide
'Cause she classic but she ain't afraid to ride
And she's incomparable, she's a ten
And she plays with all her silly heart to mend

That's why you got me in
Quicksand, quicksand
Can't believe that I'm stuck
You got me in
Quicksand, quicksand
Can't believe I'm stuck

Baby, you get me
Get me, get me

That's why you got me in
Quicksand, quicksand
Can't believe that I'm stuck
You got me in
Quicksand, quicksand

Can't believe I'm stuck

You got me in quicksand
I'm stuck in your quicksand
You got me in quicksand
I'm stuck in your quicksand

You got me in quicksand
I'm stuck in your quicksand
You got me in quicksand
I'm stuck in your quicksand

You got me in quicksand
I'm stuck in your quicksand
You got me in quicksand
I'm stuck in your quicksand

You got me in quicksand
I'm stuck in your quicksand
You got me in quicksand
I'm stuck in your quicksand
