[Chorus]

Are ready or not, right here
This is the moment for making love
I don't care if your man was right here
No we get down, get down
Are ready or not, right here
This is the moment for making love
I don't care if your man was right here
No we get down, get down

I can go a long time, can you keep up with it
I know you be worried about where I be tonight
I know you be worried bout whether I'm committed
Don't ask no questions, cause baby I swear we'll be
alright
Yeah we'll be alright, underneath between your...

But when it does settle, of you and...
I'll applaud like a baller in 20 minutes and first
Best of a play and you ready to feel
Best stress to the... dress to impress you big

[Chorus]

Are ready or not, right here
This is the moment for making love
I don't care if your man was right here
Now we get down, get down
Are ready or not, right here
This is the moment for making love
I don't care if your man was right here
Now we get down, get down

And it's no one when you feeling it's a lot of traffic
We do it for a silent... right now, I'm asking and I hope
you know
... hear your body call, so I'm stoned, did I hear you
wrong?...

Go, go, go, I know you would girl,...
And I know you all didn't see me...
I hope that you like dream and...
