#### VERSE

Baby let me get your attention  
Cuz you're lookin good not to mention  
I've been feelin' you on the low here  
And you're feelin' me too it's so clear  
Aye - I got the notion  
That you wanna put things in motion  
So the sooner we get to talkin'  
I'ma show you how we can work this out

#### B-SECTION

We can get loose girl  
I'ma touch you some way, some how  
And if you get too close  
I'ma make sure you stay on fire  
You need that good love  
Baby I'm sure to satisfy

I'll satisfy you girl

#### HOOK

You can spend the nite  
On the wall  
And if we never meet  
Honey it would be your fault  
Or you can take a chance  
Just say yes  
Cuz I know what you like  
Baby I know how to rock u

#### VERSE

Let me make this simple  
If you want me to, I'll be gentle  
I can make it start stop then go strong  
Give you what you ain't had in so long  
Aye - you see my vision  
Now it's time to make your decision  
And the sooner we get to walkin'  
I'ma show you how we can work this out

#### B-SECTION

BRIDGE

Baby can't you see that I got somethin' for ya  
Once you get it you'll flip - you never had nuthin like

Baby don't be scared to take what I got for ya  
Or else it's gonna be hauntin' you  
Girl you know

HOOK

Baby I know how to rock u...
