Listen

[Verse 1:]

It was just infatuation (yeah)  
And I know I should've said so (ooh)  
'cause you gave up your relations (yeah)  
So that you could have me for yours

[Pre-Chorus:]

Boo, after quite some time  
You got restless babe  
Said you wanted more, from me (lemme talk about it)  
I didn't know what to do  
I just turned away  
When you looked me in the eyes and say

[Chorus:]

This is crazy!  
I shouldn't have to wait (that's what you told me)  
I shouldn't have to wait for you  
I shouldn't have to wait for your love (no, no, no)  
Baby save it!  
I shouldn't have to wait  
I shouldn't have to wait for you  
I shouldn't have to wait for your love

[Verse 2:]

Uh  
Couldn't see what I was losing (yeah)  
When I said I couldn't stay, that night (uh)  
And it must have been confusing (yeah)  
Can imagine what was on your mind  
When you begin to cry

[Pre-Chorus:]

Boo, after quite some time  
You got restless babe  
Said you wanted more, from me (aaand)  
I didn't know what to do (do)  
I just looked away (I looked away)  
When you turned to me and you said you're sick of

waiting

[Chorus:]

This is crazy!

I shouldn't have to wait (baby)

I shouldn't have to wait for you (I shouldn't have to wait  
for you)

I shouldn't have to wait for your love! (love)

(love "love")

Baby save it! (baby)

I shouldn't have to wait (I shouldn't have to wait)

I shouldn't have to wait for you (shouldn't have to wait  
for your love)

I shouldn't have to wait for your love! (love)

(love "love")

(Woo!)

[Bridge:]

Oooo, I'm not tryna' be tough

I know what you need

And I know I'm not the one

Baby trust me (I know I'm not thaaa one)

To take good care of you

(I know) it's gotta be rough

Said, I know it tears you up inside

Knowing I can't

Give you what you need

And I know its craaaazy!

[Chorus:] w/ ad-libs

This is crazy!

I shouldn't have to wait (no I shouldn't have to wait)

I shouldn't have to wait for you (baby)

I shouldn't have to wait for your love! (love)

(shouldn't have to wait for love, yeah)

Baby save it!

I shouldn't have to wait (oh, yeaah)
