Wanna Be Good
Yeah, uh
Next Selection

I-I-I-I, just wanna be good to you
(uh, I really do, Yeah)
I-I-I-I, I just wanna be good to you
Girl I need what you give me
I don't wanna lose
(yeah) I'm so high when you're with me
Everything you do (ooh girl)
Said it's not something that money can buy
But it is something that I can give all night
You are precious so I'll move what you ask
In an effort baby girl to express
That I wanna

I-I-I-I, (said I wanna be) just wanna be good to you
(uh, I really do, baby I)
I-I-I-I, (said I just wanna be) I just wanna be good to
you

You're the sun in the morning
I love it when you shine
I'm the one when you want it
Come get it anytime (Hey yeah yeah)
Said it's not something that money can buy (you know)
But it is something that I can give all night
You are precious so I'll move what you ask
In an effort baby girl to impress
Cause I want to
I-I-I-I, (said I wanna be) just wanna be good to you
(Oh sugar I wanna be so good
I-I-I-I, (GOOD! to ya baby) I just wanna be good to you

Said I really wanna be yeah

Tell me what it takes I wanna be good to you
I will do it anything that you want me to
Tell me what it takes I wanna be good to you
Baby tell me what you want I will do it yeah
