[Intro:]

Ohhh... (X3)

[Ryan Leslie:]

Just rock with it (Ohhh)

Next selection

[Verse 1:]

It's obvious

You are made for me (made for me)

And believe it or not

But you're the girl of my dreams (girl of my dreams)

Only second to my mama

And here you come, with no drama girl

So calm, like a pettle of a rose

That's why I choose you...

Girl you're so sweet

You make my life complete (life complete)

Like a sentence when I die (die, die)

Girl your lovin' don't stop (stop, stop)

And better yet like a bright beginning

With this cross around my neck

One day you will

But I don't think that you know it yet

[Chorus:]

You Think You Know

But girl you don't

Have no idea

How you make me feel

Girl when I kiss you

If you ain't here, vally I miss you

You Think You Know

But girl you don't

Have no idea

Girl 'cause what I found in you

Is all I need

[Verse 2:]

Love and happiness, it goes hand in hand

(you can't have one and not the other)
On your head I put about a hundred grand
(four times the rock that i bought you)
So strong in fact
Only woman that I know
Truly got my back yeah
Cause you show me that
(cause you show me that)
That's why I love you...

And if tonight were the end
I would want you here with me
Cause looking in your eyes
Is the last thing I wanna see
This feel just like it did
When we first met
One day you will
But I know that you don't know it yet

[Chorus:]
You Think You Know
But girl you don't
Have no idea
How you make me feel
Girl when I kiss you
If you ain't here vally I miss you

You Think You Know
But girl you don't
Have no idea (don't matter baby)
It don't matter if I'm rocking my diamonds
If you ain't here then girl it ain't shining

[Chorus (Part 2):]
You Think You Know
But girl you don't
Have no idea
Cause I'm trying to show you
How much I love you girl
Love you baby

You Think You Know
But girl you don't
Have no idea
You dont know what I found in you
Is all I need

[Verse 3 (Ryan Leslie):]
Listen girl
I ain't a man of thousand words
But from the bread I make even the crumbs

Chaka thousand birds
Don't you worry about the way I live
Cause I'm gone and I'm tryin make it up by the way I
give
Now I realize jewels ain't enough for you
Cause you confused 'n' it's tough for you
And the money never comforts you
And it's hard but you understand
We got let us by a hustle man

You say we never get no time alone
And could I please spend a lil' more time at home
And I got you babe
You got a lot to say
And I ma stop cuttin' you off and listen more starting
today
Im' for real you don't know the half cause I don't
Give you up for the love supposed to have
But tonight baby thats gonna change
I'll give you everything I have
Just to get your heart in exchange
I'm offless

[Chorus:]
You Think You Know
But girl you don't
Have no idea

You Think You Know
But girl you don't
Have no idea

(Oh babe)

You Think You Know
But girl you don't
Have no idea

(How much I love you)

You Think You Know
But girl you don't
Have no idea

How much I love you

(Ohhh)
