Oh, We Gettin' It Right This Time.  
Uh, Act Grown Or Go Home (hahaha).  
R-Les.

[Verse 1]

It's A Quarter To Two Girl, Tell Me If You Wanna Leave  
Here With Me.  
(Tell Me If You Wanna Leave With Me).  
I Know What You Wanna Do Girl, Ain't No Reason You  
Should Have Me Waiting.  
(Cause I'm Thinking We Should Go Right Now).  
I'll Give You All I Got, All I Know.  
I'll Get You Hot, That's Fa Sho, baby.  
(Burning Up. Yeah, Yeah. That's Right).  
And When Your Love Comes Down, It Won't Stop.  
Not Till I Take You ToThe Top.  
(Baby, Yeah Yeah).  
And So She Asked Me:

[Chorus]

What's Your Zodiac Sign?  
Are We Compatible, Baby?  
If It Matches With Mine, We Should Think About Dating  
(Yeah).  
What's Your Zodiac Sign?  
Are We Compatible, Baby?  
If It Matches With Mine, We Should Think About Dating

[Verse 2]

Shawty, Take My Number.  
You Should Call Me When You Get Lonely.  
(Cause Everybody Gets Lonely. You'll Get Lonely, Oh).  
And You'll Never Have To Wonder, You'll Be Comin'  
Everytime You Hold Me.  
(You'll Be Comin' Like A Train And It's Not Gon' Slow  
Down).  
Give You All I Got, All I Know.  
I'll Get You Hot, That's Fa Sho, baby.  
(Burning Up. Yeah, Yeah. That's Right).  
And When Your Love Comes Down, It Won't Stop.  
Not Till I Take You To The Top.  
(Baby, Yeah Yeah).

And So I Asked Her:

[Chorus]

What's Your Zodiac Sign?  
Are We Compatible, Baby?  
If It Matches With Mine, We Should Think About Dating  
(Yeah).  
What's Your Zodiac Sign?  
Are We Compatible, Baby?  
If It Matches With Mine, We Should Think About Dating

[Bridge]

What's Your Sign?  
Let Me Do The Treatin', Gone For The Weekend, Let's  
Get A Room.  
I'm Finna Touch Ya, Show Me How Much Ya, Love The  
Way I Put It Down When I Come Through.  
Tell Me How You Like It, Say It Through Your Sidekick.  
SMS, Text Me, BlackBerry Bold.  
See Me In The Video, Heard Me On The Radio.  
Know You Wanna Do Me, It's That Simple.  
You Can't Stop This, Infinite Pockets.  
You Should Take A Picture And Put It In A Locket.  
Hang It From A Necklace, Yeah I Live Wreckless,  
But I Can Give you Everything On Your Checklist, Just  
Like Santa.  
Hope You Been A Good Girl.  
If I Had You, Give You Everything I Could Girl.  
Yes, I Would Girl.  
Cause You Demand That, Now Let's Put This Thing  
Together Like A Handclap.

[Chorus x2]

What's Your Zodiac Sign?  
Are We Compatible, Baby?  
If It Matches With Mine, We Should Think About Dating  
(Yeah).  
What's Your Zodiac Sign?  
Are We Compatible, Baby?  
If It Matches With Mine, We Should Think About Dating
