Yurak to'la yangi qiz, bildik sevgi uchun, yaralganmiz ikkimiz, birga bo'lmoq uchun.
Senla hayot shirin, senla dilda bahor, qalbmdaya shirin sevgim ko'zda oshkor.

Sensiz oqshomimning yo'qdir kunduzi, sensiz osmonimning yo'qdir yulduzi.
Isming yuragimning tanho chin so'zi, jomin beray senga yori jomin.

Yulduzsiz osmon zulmat, oyga quyosh armon, birga bo'lsak biz faqat nurga to'lar jahon,
Senla hayot shirin, senla dilda bahor, qalbmdaya shirin sevgim ko'zda oshkor.

Sensiz oqshomimning yo'qdir kunduzi, sensiz osmonimning yo'qdir yulduzi.
Isming yuragimning tanho chin so'zi, jomin beray senga yori jomin
