Hello Mary Lee, do you remember me
Well well Mary Lee, do you remember me
I been gone so long, I had a break you see

I love to hear Mary Lee, a-don't you know my name
Looka here Mary Lee, a-don't you know my name
You used to love me so hard girl, it was a cryin' shame

All right... (break)
Yeah yeah...

Hello Mary Lee, I love you so
Don't you know Mary Lee, that I love you so
I love you so hard girl, I will never let you go

Looka here Mary Lee, do you remember me
Looka here Mary Lee, do you remember me
I been gone so long, I had a break you see

Oh boy now dig it...
