It's mighty crazy
It's mighty crazy
It's mighty crazy
Just to keep on rubbin' at the same old thing

Yes you know it's crazy
It's mighty crazy
It's mighty crazy
Just to keep on rubbin' at the same old thing

You know I met a little girl she was all trimmed in blue
She saw me rubbin' and she start to rubbin' too
It's mighty crazy
It's mighty crazy
It's mighty crazy
Just to keep on rubbin' at the same old thing

You know I love the way she got to rubbin'
I believe her rubbin's awful fine
I'm so crazy about the way she keep a-rubbin'
Cause every now and then it run across my mind
The way she rub it
It's mighty crazy
It's mighty crazy
Just to keep on rubbin' at the same old thing

Well let's rub...

It's mighty crazy
It's mighty crazy
It's mighty crazy
Just to keep on rubbin' at the same old thing

You know I had on some old dirty clothes, standin' by a
tub
She pulled me right down in it and she began to rub
It's mighty crazy
It's mighty crazy
It's mighty crazy
Just to keep on rubbin' at the same old thing

It's mighty crazy...
