Got your message on the answering machine,
You said you'd be late again-
But what does that mean?
It means im lonely- after all,
So ill be waiting here in case you call.
I guess our telephone ain't gonna ring,
I found a note he wrote,
It says he heard you sing.
So I guess your out with him,
Whats a marriage mean to you?
Do you wear you diamond ring when you lay down?

Oh-oh-oh,
You drop your dress,
You turn your head,
You hold him when I sleep at home alone in our bed.

I didn't sleep last night- waitin' by the window,
Now the mornings come with night time glow.
You told me where you were
I said you lie,
Don't you even wanna try?
I take that ring back cause you dont wanna be my wife.

Oh oh-oh-oh,
You drop your dress,
You turn your head,
You hold him when I sleep at home alone in our bed.
You drop your dress,
You turn your head,
You hold him when I sleep at home alone in our bed.

Do you know girl,
Bout the justice of the peace,
Is gotta bring one of us to our knees.
So I'll go down you can come back home even though,
I know your gonna keep runnin' round.

You drop your dress,
You turn your head,
You hold him when I sleep at home alone in our bed.

You drop your dress,
You turn your head,
You hold him when I sleep at home alone in our bed.
You drop your dress,
You turn your head,
You hold him when I sleep at home alone in our bed.
