You said that you don't believe me

I said well that's not fair  
Why is it that you're so deceiving  
Whoa  
I'm asking you to stay for me  
I'm hoping that you'll change

Chorus:  
Baby it's wrong  
When you don't even answer the phone  
Please don't believe him so  
Please don't believe him so

You told me I was gullable  
I told you that I don't care  
Why is it you always believe me  
Whoa  
I'm hoping that you'll change  
I know you'll never change

[Chorus]

[Solo]

You said that you don't believe me  
I said well that's not fair  
Why is it that you're so deceiving  
Whoa  
I'm hoping that you'll change  
But I know you'll never ever change

I'm asking you to leave  
(Please)  
So now you gotta leave  
(Please)  
Far away, from me  
And now it's all gone  
Tomorrow keeps me strong  
So long

[Chorus]
