"Make Me"

Make me come back

Make me run away
Make me wanna stay
Take me some place
Take me far away
Take me all the way

I don't care where you take me
Just tell me where you'll be

Please don't believe in fate
Saturdays
Sun rays

'Cause in your eyes
You know I'm wrong
In your eyes
You know I'm wrong

The air is heavy
And I'm up to my knees
In lust and love and greed
We weren't meant to be
Your looking back at me
Is just a memory

I don't care where you take me
Just tell me where you'll be

Please don't believe in fate
Saturdays
Sun rays

'Cause in your eyes
You know I'm wrong
In your eyes
You know I'm wrong

In your eyes
You know I'm wrong [x4]
