Is this some set I'm told unreal,
Take a second to explain.
Its seems the farther we go,
The less we learn and know.

I've had better times by myself.

(Chorus): Hats off to everything you've said
and everything in your head
here's a toast to the time we've spent
and you're new boyfriend

I'm afraid,
You say oh well, whatever, Nevermind

It seems to be unreal cuz you're so fake
You've had your second go-away
It seems the longer you've stayed
The more I want to leave.

You'll be just fine by yourself.

(Chorus)

Dont cry tonight, Go on and dry your eyes.
Go on and dry your eyes, it'll all be well.
I swear it will.
Dont cry tonight, Go on and dry your eyes.
Go on and dry your eyes, it'll all be well.
I swear it will.

(Chorus)

Dont cry tonight, Go on and dry your eyes.
Go on and dry your eyes, it'll all be well.
I swear it will.
Dont cry tonight, Go on and dry your eyes.
Go on and dry your eyes, it'll all be well.
I swear it will.

I swear it will.
