Year 2000 here's the reason
Tie me up in convalescence
I'm a user non-chemical
Tie me up in style suits you

I'm unwanted and I'm unneeded
Line me up and I will believe it
Bend over so we can use you
Just to abuse you we're gonna use it again

I bleed to know
Bleed to know
On my hands and knees
Gonna feed and sow
Bleed to know
Bleed to know
These hands and knees
Will use you again

Year 2000 and I'm still waiting
On broken knees I am waiting
On broken knees feed me your heart
On broken knees tear me apart

I bleed to know
Bleed to know
On my hands and knees
Gonna feed and sow
Bleed to know
Bleed to know
On hands and knees
Use you

Get down on the ground
You wanna feed what's after
Go down go down

I am the wanted and I'm the needed
Tie 'em up and let me lead 'em
Line 'em up and fire
Line up and fire
