Put on your makeup  
Lies, lies, lies  
Put on your makeup  
Lies, lies, lies  
Put on your makeup

And let me stay here on this reservation  
Borderline, souless, faceless nation  
The president claims the countries 'building'  
The president claimed

Shut up and wake up  
Bored americans we are  
Dead americans inside  
Born americans in fear  
We are  
Bored americans inside  
Born americans we are  
Dead americans in fear

Put on your makeup  
Lies, lies, lies  
Put on your makeup  
Lies, lies, lies  
Put on your makeup

And let me stay here on this reservation  
Revolutions in the bastard faces  
Not much more plain out there is fake and murder  
Mount rushmore in flames  
Shut up and wake up  
Bored americans we are  
Dead americans inside  
Born americans in fear  
We are  
Bored americans inside  
Born americans we are  
Dead americans in fear  
Put on your makeup

I want you when i saw you
