Attention

I was born an amputee inside here
Who cant turn and pledge allegiance
We just fall in line and we just fall behind
We default your Procreation
We default your assassination
PARALYZED
We're PARALYZED
We are born from you
We've come to
Calvin Kleins the killer
They want to
Look like you
Calvin Kleins the killer
This fashion is a warning sign
You were shot for your division
We just fall behind and we just fall in line
PARALYZED
We're PARALYZED
Cause Calvin Kleins the killer
Versace now is the killer
Calvin Kleins the killer
Versace now is the killer
PARALYZED
