I wanna wake up in the sky,  
I wanna go out in the night.  
Could someone teach me how to fly?  
Oh, oh.

So infinite is what it's like,  
So fall so fast this feels so right.  
Don't have a reason but it's fine.  
Oh, Oh.

We'll keep on reaching for the stars  
Till they fall down, oh.

Hey! Hey!  
You're never gonna let go.  
Hey! Hey!  
The world is in your hands so  
Hold on, just hold on.  
Hey! Hey!  
It's all that you could ask for.  
Hey! Hey!  
The world is in your hands so  
Hold on, just hold on.

Way up above I wanna run,  
I wanna race into the sun.  
It couldn't really be that far.  
Oh, oh.  
Who's gonna say it isn't ours for right now, oh.

Hey! Hey!  
You're never gonna let go.  
Hey! Hey!  
The world is in your hands so  
Hold on, just hold on.  
Hey! Hey!  
It's all that you could ask for.  
Hey! Hey!  
The world is in your hands so  
Hold on, just hold on.

We'll keep on reaching for the stars

Till they fall down, till they fall down.  
Who's gonna say it isn't ours for right now, oh yeah.

Hey! Hey!  
You're never gonna let go.  
Hey! Hey!  
The world is in your hands so  
Hold on, just hold on.  
Hey! Hey!  
It's all that you could ask for.  
Hey! Hey!  
The world is in your hands so  
Hold on, just hold on.

(Hold on, just hold on.)  
(Hold on, just hold on.)
