This house of shit
And I live in it
In this house of shit

And I breathe in it
In this festival of demise
Said don't you want to feed the blind?
Kissed you lead the blind
Lay back and open wide

There is not time to talk about it
No time to sit and smile
We talk but say nothing
There's no time to reconcile
It's been too long in this alone time

Said it's been too long in this lonely time

Please kill me
Don't wanna be alive
Just kill me
Don't stay alive
Just kill this life of guns and kill your sons
Please kill me
Just kill me
Don't wanna be alive
Don't stay alive
Just kill this life of guns and kill yourself

In this house of shit
And I live in it
In this house of shit
And I breed in it

There is no time to talk about it
No time for your corporate smiles
Fill up on your denial

Fill up on your fast food diets
Said it's been too long in this whoreless time
It's been too long in this alone time

Please kill me

Don't wanna be alive

Just kill me

Don't stay alive

Just kill this life of guns and kill your sons

Please kill me

Don't wanna be alive

Just kill me

Don't stay alive

Just kill this life of guns and kill yourself

In this house of shit

This house of shit

Built on regret

In this house of...

Just kill me

Please kill me

Don't wanna be alive

Don't stay alive

Just kill this life of guns and kill your sons

Please kill me

Don't wanna be alive

Just kill me

Don't stay alive

Just kill this life of guns and kill yourself

Why don't you kill me?

Please kill me

THIS HOUSE OF SHIT

Why don't you kill me?

Why don't you live a while in this house of shit

THIS HOUSE OF SHIT

THIS HOUSE OF SHIT

LIVE IT!
