(it's just a holiday for you,  
Another holiday for you)

Let them inject you  
Inject you freely  
The sores of truth reprised  
Truth mended with the razors - deny  
I stand accused at the end of my life  
End mending to the truth in our lies

And did they want to find you?  
And did they bury your life?  
It's just a holiday for you,  
Human assembly line

It's just a holiday for you  
In your human assembly line  
Another holiday for you  
Abortion candy machine  
What is the price of reality?

Let me take you  
Into tomorrow  
Tomorrow never arrives  
The proof is in our abscessed sex lives  
Abandoned in static erratic fines  
Erratic. we embrace all the lies

And did they want to buy you?  
In your assembly line  
It's just a holiday for you  
In your human assembly line  
Another holiday for you  
Abortion candy machine  
What is the price of reality?

(the price....price of reality)  
Sign the welfare cheques in your sickness  
With your children's blood splatters on the back of..  
Revolt! revolt!  
Abortion holiday

Revolt!  
Price of reality  
Revolt!  
Price of reality  
Revolt!  
Revolt!
