I live off poison
And that's ok
Cause I can't do what I couldn't do here
I lick the poison
But I don't care
'cause I'm bored and fuckin' scared

We can make the bombs, we can make them right
We can live your lives sink in dynamite
Oh mine
We can get the knives at the licquor store
We can make the knives go nationwide

...my medication never lies.

I live off drugs
And that's a joke
I never know everything I took
Why can't I make you new year
Without a facial and a tear

We can make the bombs, we can make them right
We can live your lives sink in dynamite

Cause of 18
Cause of 18
Cause of...
No life, did you know what I mean?
Said 18
18...18...18...18

Don't do what you want (18)
Don't do what you mean (18)
Don't do what you want (18)
Don't do what you mean (18)

I got the man's disease in here
Can't look out no window
Got every eyelash... hidden

We can make the bombs, we can make them right

We can live your lives sink in dynamite

Cause of 18

Cause of 18

Cause of...

No life, did you know what I mean?

Cause of 18

Cause of 18

Cause of...

No life, did you know what I mean?

Don't do what you want

Don't do what you mean

Don't do what you want

Do..out!..

...just get me outta here...

The waiting 18...

18...18...18...

Get out of here
