Bed and a home  
Dead trapped on the window lies  
Know where to hide tonight?

The faces empty you were never alive  
Touch too much to never know  
You wanna lick some alcohol from the flies

Like a burning child I'll burn for you  
And like a mourning child I'll die for you  
But I will never

In the valley of the dogs  
Are we crawling babies  
In the valley of the dogs  
Crawling  
We can turn forever now  
We can burn forever now

Saw you turning waving ready to spill  
Know where they belong  
Hey! do you know the bombs are out  
It's the way you stalk the way you move  
The way things keep going down  
The ways you used to in the bar

Like a burning child I'll burn for you  
Like a burning baby too like a burning child  
Burnt to tell all the dreams that I set fire to

In the valley of the dogs  
And all the dreams that I set fire to  
In the valley of the dogs  
Crawling  
We can turn forever now  
We can burn forever now  
Riot...riot...riot  
In the valley of the dogs  
Riot...riot...riot  
In the valley of the dogs  
Gonna turn out gonna turn them out

Gonna move on murder turn it out  
Gonna turn out gonna turn them out  
Kill the dogs tonight  
Will it  
Turn me
