Nowhere to burn

Nowhere for no one

It's the same ole sore

And the same ole bleeding  
(2x)

Somebody stand up and die

Shoot you

Somebody wake up alive

We got it!

There's nothing to do

And nothing to believe in  
Protections by design

With objections of views

We got the bait

We got some fool

We got something for freedom

We got freedom be desire

(Chorus)

We got the bait

We got nowhere to run

Nowhere for no one  
There's that same ole sore

In that same ole whore

We got the bait

We got it
