It's all falling from the ceiling

Why come? We're so bored

It's a shame we're so bored

It's just to let you fall out

It's just to let you fall out

It's just a Westwood fallout

Justice to stay here

It's a liar born to this

I'm a liar

I'm just a liar

I was born to breed with it

We're falling we're so baited

It's so calming it's a fear us

We're opposite there is no attraction

We're so opposite no reaction

Crash cash

I'm a liar in the waiting

I'm a liar born to them

I'm a liar I'm just a liar

I was born to be with them

We spread our arms and pray to a god that lives in Las Vegas

We sleep within empty holes and beat with dogs

To feel reborn

Just too bored  
To be bored

We must reborn

We're just to feel reborn  
Deformed

Just

Be bored  
To be bored we must reborn

Reborn we are just bored

Reborn we must 'cause I'm a liar  
Just a liar  
Faded
