There's a picture in my window
Of a world that sleeps outside
As still as it was midnight
Is Heaven left behind?

It's a book that has no story
Shakespeare had no time
Or is it like poetry?
That never ever, never ever rhymes
Baby wait your turn,
'Cause you might crash and burn

[Chorus:]

And you're runnin' and runnin' just as fast as you can
'Till the ground's a blur
And you can see it almost touch it with the palm of your
hand

Watch you don't crash and burn
Crash and burn

Like a movie with no ending
Fame at any cost
How do we know what's precious
If innocence, innocence is lost
So let's wait our turn,
Before we crash and burn, oh

[Chorus]

Everybody loses
Just before they win
Life is all surprises
And here they come, here they come again
Rushin' in, Rushin' in

[Chorus]
