(feat. Gary Beals)

[Ryan:] There is freedom within, there is freedom
without,

Trying to catch the deluge in a paper cup

[Gary:] There's a battle ahead, many battles are lost,
But you'll never see the end of the row while you're
travelling in here

[Chorus:]

[Both:] Hey now, hey now, don't dream it's over,
Hey now hey now,

When the world comes in, it comes,

It comes to build a wall between us, we know they won't
win

[R:] Now I'm towing my car, there's a hole in the roof,

My possessions are causing me suspicion but there's
no proof

[G:] In the paper today tells of a war in a ways,
But you turn it right over to the T.V. page

[Chorus]

[G:] Now I'm walking again, to the beat of a drum,
And I'm pounding the steps of the door of your heart

[R:] Only shadows ahead, barely clearing the roof,
Get to know the feeling of liberation and relief

[Chorus]
