Oh, the weather outside is frightful,  
But the fire is so delightful,  
And since we've no place to go,  
Let it snow, let it snow, let it snow.

It doesn't show signs of stopping,  
And I brought some corn for popping;  
The lights are turned way down low,  
Let it snow, let it snow, let it snow.

When we finally kiss good night,  
How I'll hate going out in the storm;  
But if you really hold me tight,  
All the way home I'll be warm.

The fire is slowly dying,  
And, my dear, we're still good-bye-ing,  
As long as you love me so.  
Let it snow, let it snow, let it snow.

(Let it snow)  
And since we've no place to go  
(Let it snow)  
The lights are turned way down low  
(Let it snow)  
Let it snow  
The weather outside is frightful,  
But the fire is so delightful,  
And since we've no place to go,  
Let it snow, let it snow, let it snow.

When we finally kiss good night,  
How I'll hate going out in the storm;  
But if you really hold me tight,  
All the way home I'll be warm.

Oh, the fire is slowly dying,  
And, my dear, we're still good-bye-ing,  
As long as you love me so.  
Let it snow, let it snow, let it snow.

And since we've no place to go  
The lights are turned way down low  
But as long as you love me so  
Let it snow
