Not your sister.
Not your brother.
Not your friends families fathers
Or your one-hundred-sixy IQ.
Not your fairy tale.
Not your bank roll.
Not your flame on fire, false desire
Rich mans amenities in front of you
Are going to help you now that you come to a place,
Come to a place that you can't bargain in
Tell me another.
Tell me another.
Tell me another amazing story to end all stories.
Tell me another.
Tell me another low down, dirty, rotten, little tale
between your legs.
