Hey little sister take me by your side  
I wanna be your drug queen for tonight  
Hey little scarlet let me test your wine  
I wanna love you only for one night

Down down to the underground  
Me and you together up and down  
Down down to the underground  
All you get is another hound

Hey little devil let me see your eyes  
And I will tell you all of my best lies

Hey little sister kiss me once and twice  
Drink me with your vodka and your eyes

Down down to the underground  
Me and you together up and down  
Down down the underground  
All you get is just another hound
