"Some Nights"

Visit "[Some Nights](#)" on MotoLyrics.com

Some nights I stay up cashing in my bad luck.
Some nights I'll call it a draw.
Some nights I wish that my lips could build a castle
Some nights I wish they'd just fall off
But I still wake up, I still see your ghost
Oh Lord, I'm still not sure of what I stand for
What do I stand for? What do I stand for?
Most nights, I don't know... anymore!

This is it, boys, this is war, what are we waiting for?
Why don't we break the rules already?
I was never one to believe the hype - save that for the
black and white
I try twice as hard and I'm half as liked, but here they
come again to jack
My style

That's alright; I got a martyr in my bed tonight
She stops my bones from wondering just who I am, who
I am, who I am
Oh, who am I?

Well, Some nights, I wish that this all would end
'Cause I could use some friends for a change
And some nights, I'm scared that you'll forget me
again
Some nights, I always win, I always win

But I still wake up, I still see your ghost
Oh Lord, I still not sure of what I stand for
What do I stand for? What do I stand for?
Most nights, I don't know... (so come on)

So this is it? I sold my soul for this?
Washed my hands of that for this?
I miss my mom and dad for this?

When I see stars that's all they are
When I hear songs, they sound like this one, (so come
on)
(So come on)

Well, this is it, guys, that is all - five minutes in and I'm
bored again
Ten years of this, I'm not sure if anybody understands
This one is not for the folks at home; Sorry to leave,
mom, I had to go

Who the fuck wants to die alone all dried up in the
desert sun?

My heart is breaking for my sister and the con that she
called "love"
But when I look into my nephew's eyes...
Man you wouldn't believe, the most amazing things
that can come from...
Some terrible lies... !
Some terrible lies... !
Lets go!

The other night, you wouldn't believe the dream I just
had about you and me
I called you up, but we'd both agree (we'd both agree)
It's for the best you didn't listen
It's for the best we get our distance
